STAT  
Dear

I want to thank you for accepting the invitation to speak to my Seminar on Trading with the Soviet Union at the Graduate School of Business at Columbia University. You are one of the top experts in the world on the Soviet economy and economic system and your presentation will make a great contribution to the Seminar.

STAT  
As we agreed, the date for your presentation will be  between 6:00 and 8:00 p.m. The Seminar will be held in Room 1219 of the School of International Affairs, Columbia University, 420 West 118th Street, New York.

Since the class will be relatively small (made up mostly of students from the Graduate School of Business, and Russian Institute) I would suggest that you plan to speak for approximately 1 - 1½ hours, and allow some time for discussion of your presentation.

I have attached a course outline for your information and will be in touch with you with respect to further details shortly. We will, of course, take care of all of your expenses in coming to New York for the presentation.

In the meantime, could you please forward a curriculum vitae on yourself to me.

I look forward to seeing you soon. Happy New Year and best regards.

Very truly yours,
